

# Influence Hanford Cleanup Priorities

## Hanford's Budget Workshop

Influence Hanford Cleanup Priorities at a Discussion Group  
Workshop being held with managers from  
the Department of Energy - Richland Operations Office (RL)  
and the Department of Energy - Office of River Protection (ORP)

**Thursday, February 10, 2000**

**6:00 p.m. - 8:00 p.m.**

**Oregon State Office Building**

**Conference Room 140**

**800 NE Oregon, Portland, Oregon**

The U.S. Department of Energy urges you to participate in a workshop to discuss both RL's and ORP's cleanup prioritization criteria. It is important to DOE and the regulators that you be involved early in the budget prioritization criteria and related issues.

Voice your opinion on important issues, including:

- Essential Safety Activities
- Essential Services
- Achieving Tri-Party Agreement milestones and Defense Nuclear Facility Safety Board commitments
- Compliance with other environmental requirements
- All other requirements.

For more information please contact Gail McClure at (509) 376-7502.

All comments on the prioritization criteria will be considered through February 18, 2000.

All comments on the Intergrated Priority List will be considered through March 31, 2000.

**Written comments maybe submitted to:**

Richland Operations Office  
Director, Mission Planning Division
